**Interest Rate:** 8% per annum.

FOR VALUE RECEIVED, THE UNDERSIGNED, OFFICE FOR THE IMPROVEMENT OF PUBLIC SCHOOLS OF PUERTO RICO ("OMEP"), DOES HEREBY PROMISE TO PAY to the order of Puerto Rico Public Finance Corporation, or its assigns (the "Obligee"), at its office currently located at Minillas Government Center, De Diego Avenue, San Juan, Puerto Rico, or at such other address specified by the Obligee, in any lawful coin or currency of the United States of America which on the date of payment thereof is legal tender for the payment of public and private debts, solely from moneys appropriated by the Legislature of Puerto Rico in accordance with the provisions of Act No. 85 of said Legislature, approved June 13, 1998 (the "Legislative Appropriations"), the Principal Amount set forth above and to pay interest on this Note in like coin or currency, in an amount equal to the Interest Installment (as defined below), such amount to accrue from the date hereof at a rate of eight percent (8%) per annum on the unpaid principal amount of this Note based on the outstanding principal amount of OMEP Bonds (as such term is defined herein) secured thereby (computed on the basis of a 360 day year of twelve 30-day months); provided, however, that in no event shall the aggregate amount of principal paid hereunder and under the Promissory Note of the Department, dated June 25, 1998, as amended on June 28, 2004, (the "Parity Note") exceed \$425,000,000, plus interest calculated at the rate of eight percent (8%) per annum on the unpaid principal amount of this Note and the Parity Note.

Every Fiscal Year (all capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Trust Agreement (as amended and supplemented from time to time, the "2004 Trust Agreement"), dated as of June 1, 2004 between PRPFC and U. S. Bank Trust National Association, as Trustee (together with its successors in trust, the "Trustee") hereinafter mentioned), OMEP agrees to make payments hereunder (such payments to be applied to principal and interest hereunder on the dates and in the amounts provided below) in an annual amount equal to the sum of the following amounts, without duplication (the "Annual Installment"), and agrees to make such payments on or before July 15 of each Fiscal Year, to the extent the Legislative Appropriations have been made on or before such date, and otherwise on

or before the date when the following amounts are required to be deposited with the Trustee, commencing with Fiscal Year 2004-05: (i) the interest on, principal of, and redemption premium, if any, and Accreted Value or Appreciated Value of the OMEP Bonds which is due and payable in such Fiscal Year (whether at maturity, in connection with an Amortization Requirement, upon redemption or otherwise) less all amounts received by PRPFC and deposited with the Trustee during such Fiscal Year pursuant to any Rate Swap, if any such Rate Swap shall be at the time in full force and effect and not terminated or liquidated; (ii) the amount required to purchase or redeem OMEP Bonds in such Fiscal Year pursuant to the 2004 Trust Agreement; (iii) all Reimbursement Obligations becoming due and payable in such Fiscal Year to any provider of a Credit Facility or Liquidity Facility (if applicable) pursuant to any Reimbursement Agreement; (iv) all PRPFC Swap Payments (if applicable) expected to be due and payable for such Fiscal Year (to the extent not already included in the portion of the Annual Installment corresponding to interest on the OMEP Bonds); (v) the amounts required to be deposited to the credit of the Reserve Account (if applicable) established under the 2004 Trust Agreement in such Fiscal Year, including any amounts required to cure any deficiency therein; (vi) any fees or reimbursement for expenses payable to the Trustee under the 2004 Trust Agreement; (vii) any amount then due by PRPFC to a Hedge Counterparty (if applicable) for breakage cost or other termination payment under the terms of any Swap Agreement; and (viii) any other amount becoming due and payable in such Fiscal Year in respect of the OMEP Bonds or becoming due and payable under the provisions of the Trust Agreement ("Other Amounts"). The Annual Installments on this Note may not be prepaid in whole or in part prior to the Fiscal Year when they become due. Annual Installment shall not include any fees or Other Amounts which are paid out of the proceeds of any OMEP Bonds.

Of the Annual Installment paid, an amount equal to the Principal Installment (as herein defined) paid shall be applied against the principal amount of this Note and the Parity Note, such application to be made on the date and only to the extent such Principal Installment is applied by the Obligee to the payment of principal of OMEP Bonds. Additionally, an amount equal to the principal installment paid in accordance with the provisions of the Parity Note shall be applied against the principal amount of this Note and the Parity Note, such application to be made on the date and only to the extent such Principal Installment is applied by PRPFC to the payment of principal of OMEP Bonds.

The difference between the Annual Installment paid hereunder and Principal Installment paid hereunder shall constitute interest hereunder (the "Interest Installment"). Interest Installments paid hereunder and under the Parity Note shall be applied against the interest accrued hereunder and under the Parity Note on the date and only to the extent that such Interest Installment is applied by the Obligee to the payment of interest on OMEP Bonds issued under the Parity Trust Agreement. Interest Installments paid hereunder and under the Parity Note shall be applied against the interest accrued hereunder and under the Parity Note on the date and only to the extent that such Interest Installment is applied by PRPFC to the payment of interest on OMEP Bonds issued under the 2004 Trust Agreement. In no event shall the sum of (i) the portion of the Annual Installment representing interest to be paid hereunder and (ii) the portion of the annual installment representing interest to be paid under the Parity Note, accrue at a rate per annum which exceeds 8% per annum.

The term "Principal Installment" shall mean, for each Fiscal Year, an amount equal to the sum of the (i) the principal amount of OMEP Bonds, other than Capital Appreciation Bonds and

Capital Appreciation and Income Bonds, and the Amortization Requirement which is due and payable in such Fiscal Year, and (ii) the principal portion of the Accreted Value or Appreciated Value of any Capital Appreciation Bonds or Capital Appreciation and Income Bonds becoming due and payable in such Fiscal Year.

Any amounts required to reimburse a provider of a Credit Facility or Liquidity Facility for payments made under any such Credit Facility or Liquidity Facility (if applicable) in respect of OMEP Bonds (a "Reimbursement") shall be allocated to principal of this Note to the extent such Reimbursement is being paid in respect of a Principal Installment and any amount in excess thereof shall be allocated to interest on this Note.

Once OMEP Bonds issued under and pursuant to the Parity Trust Agreement are deemed to have been paid within the meaning and with the effect expressed in Section 1201 of the Trust Agreement, and any amounts then due and owing to a provider of a Credit Facility or Liquidity Facility (if applicable) and to a Hedge Counterparty (if applicable) and any Other Amounts due and payable have been paid, the obligations of OMEP to pay principal of and interest on this Note shall cease and terminate, whereupon this Note shall be delivered to OMEP for cancellation.

"OMEP Bonds" means all Outstanding bonds of PRPFC issued under the Parity Trust Agreement and the Allocable Share of any bonds the proceeds of which are used to refund those particular bonds.

"Allocable Share" means that percentage (determined from time to time by PRPFC in its absolute discretion and certified to the Trustee by the President or any Vice President of PRPFC at the time Bonds are issued under the 2004 Trust Agreement), which represents the proportion that the principal amount of Bonds issued under the 2004 Trust Agreement to refund OMEP Bonds bears to the aggregate principal amount of Bonds Outstanding under the 2004 Trust Agreement.

The undersigned hereby waives presentment, protest, demand and notice of nonpayment.

The undersigned hereby submits to the venue of any court selected by the Obligee in case of legal action for its collection. The undersigned promises to pay all reasonable costs of collection, including reasonable attorney's fees and expenses.

**PUERTO RICO AQUEDUCT AND SEWER AUTHORITY** (hereinafter called the Authority"), a governmental instrumentality of the Commonwealth of Puerto Rico, for value received hereby promises to pay to the order of Puerto Rico Public Finance Corporation, or its assigns (the "Obligee"), at its office currently located at Minillas Government Center, De Diego Avenue, San Juan, Puerto Rico, or at such other address specified by the Obligee, in any lawful coin or currency of the United States of America which on the date of payment thereof is legal tender for the payment of public and private debts, solely from moneys appropriated by the Legislature of Puerto Rico in accordance with the provisions of Joint Resolution No. 523 of said Legislature, adopted August 24, 2000 (the "Legislative Appropriations"), the Principal Amount set forth above and to pay, in like coin or currency, interest on this Note at the rate of eight percent (8%) per annum of the unpaid Principal Amount of this Note based upon the outstanding principal amount of PRASA Bonds (as such term is hereinafter defined) secured thereby (computed on the basis of a 360-day year of twelve 30-day months); provided, however, that in no event shall the aggregate amount of principal paid hereunder and under the Promissory Note of the Authority, dated August 2, 2001, as amended on June 28, 2004 (the "Parity Note") exceed \$390,000,000, plus interest calculated at the rate of eight percent (8%) per annum on the unpaid principal amount of this Note and the Parity Note.

Every Fiscal Year, commencing with Fiscal Year 2004-2005 (all terms used herein and not otherwise defined herein shall have the meanings set forth in the 2004 Trust Agreement hereinafter mentioned), the Authority agrees to make such payments of principal and interest hereunder in an amount equal to the sum of the following amounts (each such payment, the "Annual Installment"), without duplication, and agrees to make such payments on or before July 15 of each Fiscal Year, commencing July 15, 2004, to the extent the Legislative Appropriations have been made on or before such date, and otherwise on or before the date when the following amounts become due and payable: (i) the interest on, principal of, redemption premium, if any, and Accreted Value of the PRASA Bonds which is due and payable in the Bond Year commencing within such Fiscal Year (whether at maturity, in connection with an Amortization Requirement, upon redemption or otherwise) (with interest payable on PRASA Bonds the interest rate on which is not fixed in percentage at the time of their issuance for their term calculated at the maximum rate specified in such PRASA Bonds) less any amounts available in the Sinking Fund for the payment of such amounts in such Bond Year; (ii) any fees, expenses or other amounts becoming due and payable in such Bond Year to the provider (a "Facility Provider"), if applicable, of a Credit Facility or a Liquidity Facility (each, a "Facility") under the agreement relating to such Facility or any amounts required to reimburse a Facility Provider for payments made under any such Facility in respect of the PRASA Bonds and not theretofore reimbursed; (iii) all payments by the Obligee under any Swap Agreement (if applicable)

Every Fiscal Year, commencing with Fiscal Year 2004-2005 (all terms used herein and not otherwise defined herein shall have the meanings set forth in the 2004 Trust Agreement hereinafter mentioned), the Authority agrees to make such payments of principal and interest hereunder in an amount equal to the sum of the following amounts (each such payment, the "Annual Installment"), without duplication, and agrees to make such payments on or before July 15 of each Fiscal Year, commencing July 15, 2004, to the extent the Legislative Appropriations have been made on or before such date, and otherwise on or before the date when the following amounts become due and payable: (i) the interest on, principal of, redemption premium, if any, and Accreted Value of the PRASA Bonds which is due and payable in the Bond Year commencing within such Fiscal Year (whether at maturity, in connection with an Amortization Requirement, upon redemption or otherwise) (with interest payable on PRASA Bonds the interest rate on which is not fixed in percentage at the time of their issuance for their term calculated at the maximum rate specified in such PRASA Bonds) less any amounts available in the Sinking Fund for the payment of such amounts in such Bond Year; (ii) any fees, expenses or other amounts becoming due and payable in such Bond Year to the provider (a "Facility Provider"), if applicable, of a Credit Facility or a Liquidity Facility (each, a "Facility") under the agreement relating to such Facility or any amounts required to reimburse a Facility Provider for payments made under any such Facility in respect of the PRASA Bonds and not theretofore reimbursed; (iii) all payments by the Obligee under any Swap Agreement (if applicable)

**FOR VALUE RECEIVED, THE UNDERSIGNED, PUERTO RICO MARITIME SHIPPING AUTHORITY (THE "AUTHORITY"), DOES HEREBY PROMISE TO PAY** to the order of Puerto Rico Public Finance Corporation, or its assigns (the "Obligee"), at its office currently located at Minillas Government Center, De Diego Avenue, San Juan, Puerto Rico, or at such other address specified by the Obligee, in any lawful coin or currency of the United States of America which on the date of payment thereof is legal tender for the payment of public and private debts, solely from moneys appropriated by the Legislature of Puerto Rico in accordance with the provisions of Act No. 113 of said Legislature, approved September 27, 1994 (the "Legislative Appropriations"), the Principal Amount set forth above and to pay interest on this Note, in like coin or currency, in an amount equal to the Interest Installment (as defined below), such amount not to exceed a rate of twelve percent (12%) per annum of the unpaid principal amount of this Note based on the Outstanding principal amount of PRMSA Bonds (as such term is hereinafter defined) secured thereby (computed on the basis of a 360 day year of twelve 30-day months); provided, however, that in no event shall the aggregate amount of principal paid hereunder and under the Promissory Note of the Authority, dated June 30, 1995, as amended on June 28, 2004, in favor of the Obligee (the "Parity Note") exceed \$310,000,000, plus interest calculated at the rate of twelve percent (12%) per annum on the unpaid principal amount of this Note and the Parity Note.

Every Fiscal Year (all capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Trust Agreement (the "2004 Trust Agreement"), dated as of June 1, 2004, between the Corporation and U. Principal Installment shall not include any Fees or Other Amounts which are paid out of the proceeds of any PRMSA Bonds.

Any amounts required to reimburse a provider of a Facility, for payments made under any such Facility in respect of PRMSA Bonds (a "Reimbursement") shall be allocated to principal of this Note to the extent such Reimbursement is being paid in respect of a Principal Installment and any amount in excess thereof shall be allocated to interest on this Note.
